The Honorable Peter A. DeFazio  
Chairman  
House Committee on Transportation and  
Infrastructure

The Honorable Garret Graves  
Ranking Member  
House Committee on Transportation and  
Infrastructure

Dear Chairman DeFazio and Ranking Member Graves:

I respectfully request funding for the following Member Designated Project to be included in this year's surface transportation authorization legislation: Southcot Drive Sidewalk Project.

The project sponsor for this project is MetroPlan Orlando, the Metropolitan Planning Organization for Orange, Osceola, and Seminole counties, located at 250 S. Orange Avenue #200, Orlando, FL 32801.

The project is located along Southcot Drive from Sunset Drive to Lake Triplet Drive in Casselberry, FL 32707. The funding will be used to fill gaps in the pedestrian sidewalk along the south side of the roadway.

The project is an appropriate use of federal taxpayer dollars because the project location is in a residential area and filling the gaps in the sidewalk will improve pedestrian safety for the residents living along the roadway and provide safe pedestrian access to destinations within the city.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Steph", with a stylized flourish at the end.
